If he is inefficient - / was retired on that ground, / there appears to be no point in entertaining him again.

As explained at (A) in para 2 (B) there have recently been instances of such re-employment under exactly similar circs. If they are properly handled, we can extract efficiency work from them. as we are badly technical in need of men.

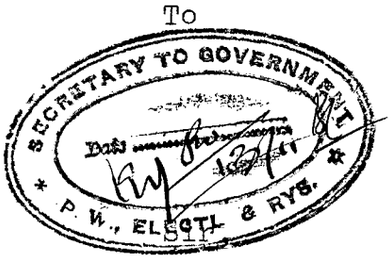
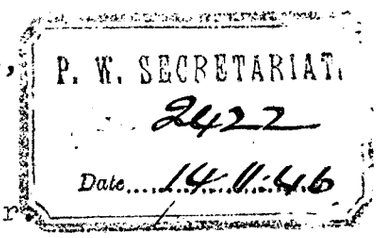
To



The Secretary to Government,
Public Works Department,
Bangalore.



Mr.K.Ramanna, Retired Sub Overseer.

I have the honour to forward herewith, for favourable consideration, a copy of application of Mr.K.Ramanna, Retired Suboverseer, praying for re-employment as Assistant Draftsman.

2. The applicant is one of the Suboverseers who were compulsorily retired from service in Government Order No.1370-3/S dated 23-9-40. The applicant is still fit for office work. He was in receipt of a pay of Rs.55/- before retirement and he is now drawing a pension of Rs.14-15-0.

3. I therefore request that sanction of Government for the re-employment of Mr.K.Ramanna (Retired Suboverseer) as a temporary Assistant Draftsman on a pay of Rs.40/- in grade Rs.40-5/2-55 for a period of one year may kindly be obtained and communicated.

I have the honour to be,

Sir,

Your most obedient servant,

M. Narasinga

HCS/12th. CHIEF ENGINEER FOR IRRIGATION.

Application of Mr.K.Ramanna, Retired Suboverseer, Channapatna, addressed to the Chief Engineer for Irrigation.

I beg to state that I was a Suboverseer in the Public Works Department and now I have been retired from service. I applied for a Suboverseer's post to be re-employed and thus I could not secure the Suboverseer's post.

Now, being to understand that there are vacancies of Assistant Draftsmen and Tracers in the Public Works Department, I humbly request you to grant me any one of the abovementioned posts temporarily.

I am a big family man getting a small pension which is not at all sufficient to maintain myself and my family in these hard ~~days~~ times. So, I request you to kindly consider my case and grant me a temporary job as an Assistant Draftsman or a Tracer. For which act of kindness, I shall ever be grateful to you.
